DEPARTMENT OF TRANSPORTATION & ENVIRONMENTAL SERVICES

Yon Lambert, Director

Mission

T&ES is a community partner in shaping a livable, green, and prospering Alexandria. We plan, build, operate, and maintain transportation systems and infrastructure that improve mobility and provide people and businesses with core public services. The work we do keeps Alexandrians moving, growing sustainability, and thriving.

Goals

T&ES focuses on superior customer service, environmental and transportation projects that promote economic development, strategic management, employee relations and environmental sustainability.
